PERFECT NIGHTCAP

Taste a spoonful when the box is opened and the rich caramel notes in Kali drinking chocolate are evident. There's no need to hide behind the skim or soy milk here as the chocolate has a clean, velvety, satisfying taste. The cocoa beans are harvested from established plantations in West Africa and then shipped to Holland, where the flavours are pressed from the cocoa nibs. Made from natural ingredients and free of artificial additives. \$8.95/200g, The Deli, Potts Point, 9358 1266; Fruitique, Redfern, 9319 6779; O Organic Produce, Surry Hills, 9319 4009.
