Cuppa spilleth over

Kick-start the day or unwind in the late afternoon with a cup of Chamellia single estate certified organic teas, or tisanes. Nathan Wakeford of Melbourne's Somage Fine Foods sources the range from Sri Lanka for brews with fresh, appealing flavours. Choose from sweet gunpowder green tea, full-bodied English breakfast or vanilla with the natural creaminess of pressed beans. The caffeine-free tisanes include peppermint, spicy lemongrass and ginger - all in biodegradable pyramid teabags.
